

Removeable Eyes

Supplies

Fimo or Sculpey Baking Clay

Black, White, (Brown, Blue, or Green for irises)

6 sets pierced earring findings

1. Make 6 white and 6 black PEA size balls (Fig 1).
2. Lightly press together 1 white and 1 black ball. Mold to an 1/2 white & 1/2 black oblong ball. (Fig 2)
3. Make IRISES. 2 Small colored balls, flattened slightly. Add Black PUPIL. Add to white part of FIG 2. You may need to trim to fit Eye. (Fig 3)
4. Put 2 eye together. Press slightly. (Fig 4)
5. Roll a thin coil of BLACK. Attach to eyes to form Lids. Trim at out edges. (Fig 5)
6. Flatten the BACK of the Eyes to attach earring posts after baking (Fig 6). Experiment with different eye styles.
7. Bake as directed. 275° F for 15 minutes per 1/4" thickness. Cool.
8. Glue 2 earring POSTS to back of eyes. Dry. (Fig 7)
9. Attach to quilt , add earring backs to posts.

Experiment with the placement of the eyes!

Remove the eyes if you launder the quilt.
